371 California Architects Board (CAB) Liaison – Primary Contact: Doug McCauley, Executive Officer
The purpose of the CAB is to protect the health, safety, and welfare of the public through the regulation of the practice of architecture in California. It is located within the Department of Consumer Affairs which is responsible for consumer protection and the regulation of licensed professionals. The CAB establishes regulations for examination and licensing of the profession of architecture in California, which today numbers approximately 22,000 licensed architects and approximately 11,000 candidates who are in the process of meeting examination and licensure requirements.

a. Work with CAB to improve administration of CSE and possible changes to examination. **Measurement/Deadline:** Report on issues facing the CAB to the Executive Committee and Board of Directors as needed.

b. Work with the CAB to improve the profession’s knowledge and understanding of disabled access regulations through continuing education and/or possible changes to the ARE which address access issues. **Measurement/Deadline:** Monitor changes and report to the Executive Committee. Ongoing.

c. Member and staff to attend and support CAB events as appropriate. **Measurement/Deadline:** Ongoing.

d. Work with CAB to address the Academy of Emerging Professionals and Intern Development Program Issues. **Measurement/Deadline:** Meet with CAB quarterly and address other issues as needed.

374 Office of Statewide Health Planning and Development (OSHPD) Liaison – Primary Contact: Paul Coleman, Deputy Director, Facilities Development Division
The OSHPD promotes healthcare accessibility through leadership in analyzing California’s healthcare infrastructure, promoting a diverse and competent healthcare workforce, providing information about healthcare outcomes, assuring the safety of buildings used in providing healthcare, insuring loans to encourage the development of healthcare facilities, and facilitating development of sustained capacity for communities to address local healthcare issues.

a. Monitor and participate in programs, activities and policy decisions affecting health facilities by OSHPD. **Measurement/Deadline:** Ongoing.

b. Maintain existing relationships with members and staff of the OSHPD. **Measurement/Deadline:** Strengthening of existing relationships with agency staff, identification of issues of concern. Report to leadership on a routine basis. Provide an annual report of activities December 2011.

c. Support Capitol Forum’s Healthcare Practice Area Group activities designed to improve communication between OSHPD and the profession. **Measurement/Deadline:** Develop an annual plan to address OSHPD issues with the Capitol Forum Healthcare Group March 2011.

375 Division of State Architect (DSA) Liaison – Primary Contact: Howard “Chip” Smith, Acting State Architect
The DSA provides design and construction oversight for K–12 schools, community colleges, and various other state owned and leased facilities. The Division also develops accessibility, structural safety, fire and life safety, and historical building codes and standards utilized in various public and private buildings throughout the State of California.

a. Strengthen and maintain effective liaison with the State Architect, members, and staff of the DSA. DSA staff is involved in several issues of significance to the profession such as: building codes, access compliance, plan review, education and training programs, and policy development. **Measurement/Deadline:** Maintain a strong relationship with the DSA to provide the Council with knowledge of issues of benefit or harm to the profession. Ongoing.

b. Certified Access Specialist Program. Monitor CASp to ensure that the program performs as it was intended to, places no additional burdens on the profession, or increases liability. **Measurement/Deadline:** Work with the DSA to increase the number CASp exam administrations to increase the number of certified individuals. Report on status of program in quarterly Board reports.
Support DSA Academy. Architecture is about lifelong learning. For those architects and engineers that specialize in projects that must go before the DSA for approval, the DSA has provided an excellent opportunity to look into the DSA and to learn what they – as regulators – are looking for when performing plan review and inspection. By supporting the DSA Academy’s efforts we encourage other state agencies to follow suit, and as architects have another resource from which to learn and improve.

**Measurement/Deadline:** Contribute to the DSA Academy improvement and efficiency through member and staff participation. Ongoing.

376 Department of General Services (DGS) Liaison – Primary Contact: Esteban Almanza, Deputy Director

The DGS serves as business manager for the state of California, with more than 4,000 employees and a budget in excess of one billion dollars. The DGS helps to better serve the public by providing a variety of services to state agencies through innovative procurement and acquisition solutions, creative real estate management and design, environmentally friendly transportation, professional printing, design and web services, and funding for the creation and construction of safe schools.

a. Maintain existing relationships with members and staff of the DGS.

**Measurement/Deadline:** Identify issues of concern, and report to leadership on a routine basis. Provide an annual report of activities December 2011.

b. Participate in standing liaison committee with DGS leadership to foster constructive discussion on issues of mutual interest i.e., sustainability, procurement and contract language.

**Measurement/Deadline:** Encourage DGS Director to participate in liaison activities. Determine annual calendar for meetings, recruit appropriate members to serve, and provide an annual report of activities. December 2011.

377 Office of Emergency Services Liaison (OES) Liaison – Primary Contact: Jim Barnes, P.E.

The OES Safety Assessment Program utilizes volunteers and mutual aid resources to provide professional engineers and architects and certified building inspectors to assist local governments in safety evaluation of their built environment in an aftermath of a disaster. The program is managed by Cal EMA with cooperation from professional organizations. SAP produces two resources, SAP Evaluators, described above, and SAP Coordinators, which are local government representatives that coordinate the program.

a. Strengthen and maintain effective liaison with members and staff of the OES.

b. Maintain communication with OES staff to ensure that AIACC members certified by the OES have the most up to date information on the OES Safety Assessment Plan.

- Provide education and training assistance to members and chapters (see 461 for specific chapter outreach activities).
- Continuously improve our ability to effectively respond to disasters as they occur. Use results of November 2009 deployment drill to improve communications and procedures within the program.

**Measurement/Deadline:** Identify issues of concern, and report to leadership on a routine basis. Provide an annual report of activities December 2011.

378 California Building Standards Commission (CBSC) Liaison – to Primary Contact: Jim McGowan, Executive Director

The BSC is charged with reviewing and approving building standards proposed and adopted by state agencies, codifying and publishing approved building standards in one state building standards code (California Code of Regulations, Title 24), and administering California’s building code adoption processes.

a. Monitor and influence all state level regulatory proposals affecting the practice of architecture and represent California architects at meetings of California Building Standards Commission.

**Measurement/Deadline:** Identify issues of concern, and report to leadership on a routine basis. Provide an annual report of activities December 2011.

b. Monitor and engage the development of amendments to the 2010 building codes

**Measurement/Deadline:** Ongoing.

c. Monitor and engage the development of Green Codes and inform members of opportunities to use the codes.

**Measurement/Deadline:** Ongoing.
379 Executive Appointments – Primary Contact: Mona Pasquil, Governor’s Appointment Secretary – AIACC Staff
Within each Governor’s Administration there is a Governor’s Appointment Secretary. This position is, itself, an appointed position by the Governor and serves as the clearing house for nominees seeking appointment by the Governor to both compensated and uncompensated positions, some requiring Senate confirmation some not.

a. Lobby the Governor's Appointments Unit on behalf of AIACC supported nominees for various appointed positions in state government.
   **Measurement/Deadline:** Ongoing

380 Administrative Office of the Courts – Primary Contact: Lee Willoughby, Architect
The Administrative Office of the Courts (AOC) is the staff agency of the Judicial Council, which has policymaking authority over the state court system.

a. Strengthen and maintain effective liaison with members and staff of the AOC. Confer with staff and advise on alternative delivery methods as AOC develops its capital construction campaign.
   **Measurement/Deadline:** Identify issues of concern, and report to leadership on a routine basis. Provide an annual report of activities December 2011.

b. Monitor and participate in AOC programs, activities and policy decisions affecting the built environment and the AIACC’s efforts to advance the AIACC’s sustainability related policies and objectives.
   **Measurement/Deadline:** Ongoing.

381 California Energy Commission – Primary Contact: Bill Pennington, P.E.
The California Energy Commission is the state's primary energy policy and planning agency. Among the commission's responsibilities are promoting energy efficiency by setting the state's appliance and building efficiency standards and working with local government to enforce those standards.

a. Strengthen and maintain effective liaison with members and staff of the CEC. Confer with staff as CEC seeks to develop energy rating systems for nonresidential buildings.
   **Measurement/Deadline:** Identify issues of concern, and report to leadership on a routine basis. Provide an annual report of activities December 2011.

b. Monitor and participate in CEC programs, activities and policy decisions affecting the built environment and the AIACC’s efforts to advance the AIACC’s sustainability related policies and objectives. Monitor the interaction between the CEC and the CBSC in regards to green building and energy efficiency.
   **Measurement/Deadline:** Ongoing.

382 California Air Resources Board – Primary Contact: Papke-Waters, Lead Technical Staff
The California Air Resources Board is a part of the California Environmental Protection Agency, an organization which reports directly to the Governor's Office. The Board is the main agency responsible for the implementation of AB 32.

a. Strengthen and maintain effective liaison with members and staff of the CARB. Participate in hearings on issues that affect the built environment
   **Measurement/Deadline:** Identify issues of concern, and report to leadership on a routine basis. Provide an annual report of activities December 2011.

b. Monitor and participate in CARB programs, activities and policy decisions affecting the built environment and the AIACC’s efforts to advance the AIACC’s sustainability related policies and objectives. Be involved with the CEQA rulemaking process occurring within the CA Resources Agency.
   **Measurement/Deadline:** Ongoing.
384 California Public Utilities Commission – No Primary Contact
The CPUC regulates privately owned electric, natural gas, telecommunications, water, railroad, rail transit, and passenger transportation companies.

   a. Strengthen and maintain effective liaison with members and staff of the CPUC.  
     **Measurement/Deadline:** Identify issues of concern, and report to leadership on a routine basis. Provide an annual report of activities December 2011.

   b. Monitor and participate in PUC programs, activities and policy decisions affecting the built environment and the AIACC’s efforts to advance the AIACC’s sustainability related policies and objectives.  
     **Measurement/Deadline:** Ongoing.

385 California Department of Corrections and Rehabilitation – Primary Contact: Michelle Hagan
Associate Governmental Program Analyst Project and Construction Management
The Facility Planning, Construction and Management Division (FPCM) was created to allow the California Department of Corrections and Rehabilitation (CDCR) to effectively manage its real estate requirements in a comprehensive manner, including the extensive construction of new prison beds contemplated under the Public Safety and Offender Services Rehabilitation Act of 2007.

   a. Strengthen and maintain effective liaison with members and staff of the CDCR, FPCM.  
     **Measurement/Deadline:** Identify issues of concern and report to leadership on a routine basis. Provide an annual report of activities December 2011.

386 Higher Education (California State University System, University of California System) – No Primary Contact
The California State University (CSU) System and University of California (UC) System

   a. Strengthen and maintain effective liaison with staff of the CSU and UC systems.  
     **Measurement/Deadline:** Identify issues of concern, and report to leadership on a routine basis. Provide an annual report of activities December 2011.

   b. Monitor and participate in higher education policy discussions and decisions affecting the design and construction of UC and CSU projects.  
     **Measurement/Deadline:** Ongoing.

387 Community Colleges – Primary Contact: Fred Harris

   a. Strengthen and maintain effective liaison with staff of the Community Colleges Chancellors office.  
     **Measurement/Deadline:** Identify issues of concern, and report to leadership on a routine basis. Provide an annual report of activities December 2011.

   b. Monitor and participate in policy discussions and decisions affecting the design and construction of Community College projects.  
     **Measurement/Deadline:** Ongoing.

388 California Department of Education – Kathleen Moore, Director

   a. Strengthen and maintain effective liaison with members and staff of the CDE.  
     **Measurement/Deadline:** Identify issues of concern, and report to leadership on a routine basis. Provide an annual report of activities December 2011.

   b. Monitor and participate in higher education policy discussions and decisions affecting the design and construction of UC and CSU projects.  
     **Measurement/Deadline:** Ongoing.
California Department of Water Resources Liaison – Primary Contact: Brian Walker, P.E.

The Division of Flood Management, among several others, is carrying out the work of the Department's Flood Safe California program, which partners with local, regional, state, tribal, and federal officials in creating sustainable, integrated flood management and emergency response systems throughout California.

a. Strengthen and maintain effective liaison with members and staff of the CDWR.
   **Measurement/Deadline**: Identify issues of concern, and report to leadership on a routine basis. Provide an annual report of activities December 2011.
